HAL LONGLEY, Sale Mgr.

37 Island Ave.,

Aurora, Ill.

Study this head. If you will buy only those females that display this character, you will arrive quickly at the goal of success. This is the head of Brawith Bud 7th. She is a daughter of our present herd bull, Browndale Ringmaster and out of a dam by our former herd bull, Kalarama Emblem. This is the same blood that will be the feature of our sale offering.

It Does Make a Difference Where You Buy

Do you want to see an ideal stock farm that has been kept in the highest possible state of fertility through the means of a wonderful herd of Scotch Shorthorn cattle? Do you want to see an ideal stock farm that has been completely paid for through the income of Shorthorn cattle? Would you like to buy some of the cattle that have helped to pay for this ideal stock farm? Then attend the auction sale of Wm. Allison's Sons at Washington, Ind. on Thursday, June 5th. You will see excellent Scotch brood cows, — the real beef type that give plenty of milk, — most of them produced through many generations of constructive Allison breeding. You will see pastures that cannot be equalled in the Corn Belt States. You will see the present herd bulls that are the best of a long line of famous sires that have been used. And you will meet the owners of this great establishment, — fine people in whom you may place utmost confidence.

It does make a difference from whom you buy purebred cattle because certain names mean more in pedigrees than others. Whenever I see the name Allison in a pedigree, I know it represents honesty, integrity and expert cattle judgment. And the more generations of Allison breeding there are in a pedigree the more certain I am that particular animal will prove profitable to its new owner.

From their strong herd of 120 head, the Allisons are selling 9 bulls and 21 females, all healthy, clean, profitable cattle backed by strong ancestry. The addition of 6 choice individuals from the herds of John T. Campbell and R. I. Richards makes this an offering of 36 lots that can be recommended most highly. —Hal Longley of The Shorthorn World.

From the Owners

With much pleasure we invite you again to our farm to attend this — our Fourth Annual Sale. Having been steer feeders for many years, and observing during these years the kind of cattle that would make the best gains for us and sell the best on the market, we found that the short legged, straight backed Shorthorn steer filled the bill, and this led us to the use of the pure bred Shorthorn sire to produce this kind of steer.

In 1914 we purchased our first pure bred Shorthorn bull to use on high grade Shorthorn cows, and finding the calves so much better than those out of the same cows by a common bred bull, we decided we would like to see how much better calves we could raise by using both the pure bred sire and pure bred females. So in 1915 we bought four bred heifers of fine quality and breeding, and from this start laid the foundation for our herd.

During the following years we have occasionally added a cow or or heifer with breeding of equal merit of our first purchase, and have purchased from time to time as needed, the best bulls we could buy, bulls that would nick with our herd and work improvement in the herd. Today, with the service of our two herd bulls, Emblem's Pathfinder and Browndale Ringmaster, the cream of all the bulls we have owned, we feel we are offering bulls and females that will do credit to the Shorthorn breed wherever they may go.

We are pleased to be associated in this with John T. Campbell and R. I. Richards, both of whom maintain strong Scotch herds headed by outstanding sires. We are confident that all of the cattle offered in this sale will prove profitable to their new owners. Come spend the day with us so that you may inspect our herd and this combined offering. We believe you will be filled with a desire to buy, but whether you buy or not, you will be very welcome.

WM. A. ALLISON'S SONS

EMBLEM'S PATHFINDER 1771545

Emblem's Pathfinder is the best bull we ever produced and we retained him for the further improvement of our own herd. In his two top crosses he represents a strong combination of Rodney and Dreadnaught blood, a combination that has resulted in calves of excellent type in our herd. Emblem's Pathfinder has a great head, is deep of body and short of leg, with wide sprung ribs and deep quarters. He has stamped each calf with these same valuable characteristics.

BROWDALE RINGMASTER 1852135

We insist that our herd be improved each year and Browndale Ringmaster has proved to be the ideal bull for this important task. When the need for a new herd bull was apparent, we made a careful study of many prospective sires and finally selected this great young bull after he had won the junior championship at the Indiana State Fair as well as first prizes at the Ohio, Indiana and Kentucky State Fairs. His calves are the best we ever produced.

We have used this bull on some of the heifers in this sale.

Pride's Charm 42d is one of our very best cows. She combines scale, blockiness and smoothness with the ability to produce plenty of milk and grand calves. She has had six calves for us, all good ones. She was a show heifer herself and won first place in the state class at the Indiana State Fair as a senior calf. Her dam is still producing excellent calves for us at thirteen years old. This very good cow is in calf since January 30 to Browndale Ringmaster.
